- Romania: going private ..... *Jan*
- Questions concerning the US Strategic Petroleum Reserve ..... *Sep*
- Petroleum supply security and Central Asian pipeline politics ..... *Nov*
- Post-election US energy policy ..... *Dec*

Algar Philip
- Vibrant OTC reflects buoyant upstream sector ..... *Jun*

Bazzani R V
- Gasoline volatility — do we really need Vapour Lock Index within EN228? ..... *Jun*

Baverstock Dr Suzie
- Developments in the drafting of ambient air quality standards ..... *Sep*

Berrido Ian
- Trials of catalytic converters in urban bus fleets ..... *Dec*

Boden J C
- Elevated flare emissions measured by remote sensing ..... *Nov*

Buckman David
- Southeast Asia set for refinery expansion ..... *Feb*
- Frontier areas offer new hope for Irish search ..... *Oct*

Buckholz L
- The future of motorfuels retailing in Poland ..... *Jun*

Cooper Lt Col M D
- How the army fuels its operations ..... *Jun*

Cranfield John
- Gas producers seek options as methanol falters ..... *Jul*
- Italian onshore search radiates north and south ..... *Oct*

Cresswell Jeremy
- Mobil plans to go deeper and deeper ... . *Jan*
- Venezuela — responding to the future ..... *Sep*
- A visitor's view of the Middle East ..... *Dec*

Dauger Jean-Marie
- Revolution in the gas industry: a tale of two markets ..... *May*

Dunlop Graham
- Why is Brent Spar unique? ..... *April*

Ferguson Chris
- Russian law — production sharing agreements ..... *Feb*

Frank Fraser
- Cornerstone of Norwegian gas supplies ..... *Sep*

Frost James
- Everybody else is also spending £1.25 per gallon to lose market share ..... *Jul*

Griffin W S
- Decommissioning around the world ..... *April*

Groeneveld R
- Auto LPG: global review and criteria for success ..... *May*

Gudmundsson Professor J S
- Natural gas hydrate — an alternative to liquefied natural gas? ..... *May*

Gurney Judith
- Oil companies fare better – and worse – in California ..... *Jun*
- Oil companies barred from much of US OCS ..... *Aug*
- US sanctions and election year politics ..... *Sep*
- Production spar is launched in the Gulf of Mexico ... *Nov*
- Production begins from a subsalt field ..... *Dec*

Harris Dr Nigel
- Trading and technology: the challenge of interpretation ..... *Jun*

Harrison Paul S
- Survey confirms continuing reduction in crude oil marine losses ..... *Feb*
- Crude oil marine loss survey update ..... *Dec*

Harvey Colin
- Paying for the future — securing investment in Britain's oil and gas industry ..... *Mar*

Hollis Dr Rosemary
- Stability in the Middle East? Three scenarios ..... *May*

Holt Peter
- The impact of legislation on decommissioning: recent international policy developments ..... *April*

Holt CA
- Impact of VOC emission controls on rail loading operations ..... *Nov*

Horn Lindsay
- Refinery margin risk management ..... *Jul*

Howell Stuart
- Health and safety risk assessment where petrol is stored and distributed ..... *Mar*

Jackson Kim
- Fuelling aircraft at Schiphol ..... *Jan*
- Filtering aviation fuels ..... *Jan*
- New company targets opportunities onshore Sakhalin Island ..... *Feb*
- Algerian hydrocarbon magnet ..... *Feb*
- *Sea Empress* salvage saga ..... *Mar*
- CRINE looks to the future ..... *Mar*
- Elf focuses on downstream logistics ..... *Mar*
- Countdown to open competition in the UK gas market ..... *May*
- Alternative road transport fuels ..... *May*
- UK transport policy — on the right road? ..... *Jun*
- The likely fate of forecourt shops — boom or bust? .. *Jun*
- Renewed call for a breath of fresh air ..... *Jul*
- New petroleum storage terminal ..... *Aug*
- Central Europe — a land of opportunity ..... *Sep*
- ONS focus on the future ..... *Oct*
- Clearing the air ..... *Oct*
- Setting the standard for oily water separation ..... *Nov*
- UK government proposes further crackdown on marine pollution ..... *Dec*

Kielmas Maria
- Petroperú privatisation begins ..... *Jul*

Knott Terry
- Oil may lie on troubled waters ..... *May*
- Shipshape and set to sail ..... *Jul*

Konoplyanik Dr A A
- Consequences of IMF loan to Russian Federation .... *Sep*

Lowe Dr G B
- Environmental protection systems for the petroleum industry ..... *Jan*

Mirzoeff Judith
- No Business as Usual ..... *Nov*

Moncrieff J T M
- Elevated flare emissions measured by remote sensing ..... *Nov*

O'Sullivan Stephen
- Russia's Far East — the final frontier ..... *Feb*

Palmer Francis H
- EPEFE and the European Auto-Oil Programme ..... *April*

Paterson Robert
- PFEER and arrangements for recovery and rescue — implementation ..... *Jan*

Potter Neil
- Concrete for the Congo ..... *Feb*
- Heavy oil from Captain coming on stream ..... *Sep*

Reader Carol
- First production from Liverpool Bay ..... *Jan*
- Humberside storage keeps up with the times ..... *Mar*
- Iraq accepts UN agreement on oil sales ..... *Jun*
- Pricewatch causes upheaval at the pumps ..... *Jun*
- Valuable business done at Forecourt '96 ..... *Jul*
- Brent Spar still awaits its fate ..... *Aug*
- Become an apprentice — but not in the oil industry .. *Oct*
- Humber Refinery cleans up its waste water ..... *Nov*
- An energy scenario for 2006 ..... *Dec*

Renwick David
- Trinidad exploits gas reserves ..... *Jan*

Roberts John
- Qatari gas for Israel? ..... *Jan*
- IEA studies Middle East ..... *Feb*
- Qatar — large capital investment planned ..... *May*
- Saudi Arabia plans future strategy ..... *Jun*
